## In Loving Memory

# Makayla Guerriero

We dedicate this page to Makayla, As dear friends to her, our hearts still ache at the fact that she is not here with us. Unfortunately she has missed out on a substantial amount of these amazing years. But the most devastating will be not having her by our side while our class' journey comes to an end. Although we can no longer make new memories with Makayla, the many we shared will forever be held close. One could never forget Makayla's free spirit, smile that lit up a room, and what an overall beautiful person she was. She lives on within many of us as we make our way through life. She is a constant reminder of how important this life is and that we should cherish every second of it. Sadly, we are not the only class that has suffered the loss of a great friend and classmate. We will always remember and never forget Jeremy Weston and Makayla Guerriero.

-Maggie Coelho and Eva McCormick

Dear class of 2015,

I hope you look back on your high school years with great fondness and pride. On behalf of the administration and staff of AHS I wish you great success and a life full of love and happiness.

Thank you for your contributions to our school community. I'll leave you with a sentiment from Ralph Waldo Emerson, "the only person you are destined to become is the person you decide to be." Make good decisions! Congratulations and best wishes!

Principal Sullivan

**Class of 2015**

**To the Graduating**

Dear Class of 2015,

First and foremost I would like to take the time to thank everyone who made this yearbook possible. Thank you to the yearbook committee, especially Michael Donovan, who listened to me yell, complain, and cry everyday about deadlines. Thank you to our Advisor, Mrs. Kinsman who stayed up with me on late nights and continued to push me and tell me "we are in good shape" even when it seemed that we would never see the yearbook published. I'm truly pleased with how our yearbook came out but that would not have happened without the cooperation of the class of 2015, their parents, and the dozens of others who sent in photos.

The quote we chose to put on the cover of this yearbook is "I am a part of all that I have met" by Alfred Tennyson. I think this quote truly represents not only my time at Abington High School but my fellow classmates. Over the past four years we have grown and shaped into new people who are ready and perfectly capable of taking on the world. We became these new people through the imprints and memories of one another and we would truly not be the same if we never met each other. As you look at this yearbook I hope you remember how much of an impact your fellow classmates have made on your future. I also hope you remember how much you have overcome and accomplished together as a class. Congratulations and good luck in your futures!

Your Editor in Chief,  
Susan Mullen

o The Class of 2015,

It is hard to believe that as I write this, we are completing the editing process, and putting the finishing touches on your yearbook. It seems like it was just a short while ago that we were holding our first yearbook meeting and I was staring out at the many faces in attendance wondering who would emerge as the leaders who would become your yearbook editors.

It did not take me long to discover that for your class, those students would be Susan Mullen and Michael Donovan. They have been not only the yearbook editors, but the photographers, writers, creative designers, and the marketing department all in one. They dedicated countless hours to the production of this book on your behalf. It is my hope that you will take a moment to thank them for constructing a book that has captured so many memorable moments of your time here at Abington High School.

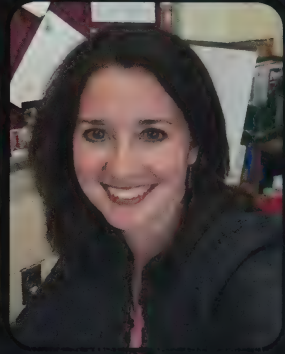

It was a pleasure to be your teacher and advisor. I wish you all much success in your future endeavors, and a lifetime filled with happiness.

Sincerely,

Mrs. Kinsman

# Message From Our Advisors

Dear Class of 2015,

Four years ago, you entered AHS as unsure freshmen. No longer the kings and queens of the Frolio, you had to adjust to your new surroundings and figure out what it meant to act as high school students. At the time, the building looked much bigger and you looked much smaller. Life as you knew it had changed dramatically.

Now, four years later, you are once again the leaders of your school. As AHS seniors nearing graduation, you are officially in the home stretch. Current underclassmen look up to you and follow your example. You have matured into responsible young ladies and gentlemen. Each of you is facing a bright future. Whether entering college, the military, a trade, or some other vocation, your journey is only commencing. You should all be very proud of your accomplishments.

As your class co-advisors, we are also very proud of you. We have been through a lot together – bake sales, car washes, powder puff (undefeated!), prom, etc. It has been a true pleasure working with all of you. In particular, we would like to acknowledge all of the hard work put forth by the class officers. They played a tremendous role in making your time at AHS so memorable.

We wish all of you the best in your future endeavors. Please continue to challenge yourselves. Remember to work hard, make good decisions, and do what is morally right. We know that you will continue to make us and the town of Abington proud.

Sincerely,

Ms. Louko and Mr. Holzman

Peace out! ;)

# Boy's Soccer

**Coach: John McGinness**

The Abington High School Boy's Soccer team was coming off their best season in the schools history, losing to Sacred Heart 1-0 in the South Sectional Finals. After graduating seven talented seniors, and their schedule getting even more difficult, they made the most out of their season by coming only 2 wins away from the tournament. Led by captains Mike Donovan Jr., Scott Gambon, and Jon Reed, as well as fellow seniors Troy Panico, Greg Killian, and Matt Thetonia, they accomplished a record of 5 wins, 4 draws, and 8 losses. With about 15 juniors below them, the team has a promising season next year.

Abington High School Girls Soccer's record reflects that they did not seem to have the best season. However when you get to know the hard work and triumph at the end of the season you'll see differently. The Lady Wave ended the season with a 4-14-2 record. Despite the losing record the team ended with a 3 game winning streak. The captains Brianna Donovan, Victoria Chiochio and Victoria Curtin led the team with toughness and teamwork to make sure by the end of the season the team was in top shape. They also hap help from fellow seniors Sydney Hamilton, Meghan Golden, Caroline Martell, Morgan McCann, Kim Reid, and Christina Howe.

# Cross Country

**Coach: Brian Lanner and  
Stephen Schlicting**

Despite having small numbers for both teams and under .500 records, the character and perseverance to become better athletes was highly recognized. Captains Nick Sideropoulos and Chris Fanara, as well as Molly Atkinson and Ali Phair had but only one goal for their team; to bring out the best in their young teammates in all aspects of the sport. However, their season had been more successful given such small number. Along with the underclassmen success, seniors Molly Atkinson, Chris Fanara and Nick Sideropoulos were selected as South Shore League All Stars.

# Golf

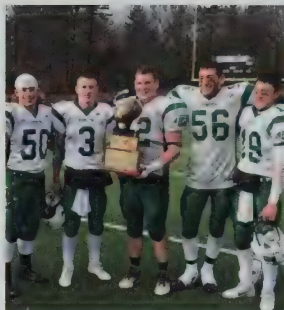

**Coach: Tim Hill**

The Abington High School golf team this year went 5-11, but saw the success of Etienne Bourgoin, who went 12-2 and won the league as well as capturing the Division 3 State Title. Fellow senior Christopher Burgess worked hard to advance his golf game every day. There was 16 kids on the team, so that leaves Coach Hill a great pool of kids to improve upon next year.

# Boy's Track & Field

The Boys Track team is coming off a great season that put them third in the league. This year may not be that stellar, but the individuals on the team have been performing well. # Unified Sports

**Coach: John McGinness & Kate Casey**

This year we saw the addition of the Unified Sports team. This year's sporting events included soccer, basketball, and kickball. In soccer they beat Rockland and lost to Carver, and in basketball they lost to Rockland, but it has been a great experience to both play and watch them. Mr. Serino started this program with Rockland and Carver, and hopes to get more teams to do it. Mr. McGinness and Mrs. Casey stepped up as coaches and have done exceptionally well. We hope to see this expand to every school around Massachusetts.
